Dear Resident,

I am writing to you today to introduce myself, my name is Suzanne O'Leary and I am the Community Liaison Officer for Statkraft Ireland. I will be overseeing the construction phase of the Irishtown Solar Project which will be commencing in the coming weeks.

Statkraft Ireland is part of Europe's largest generator of renewable energy. From our offices in Cork and Tullamore, we develop, own and operate renewable energy projects such as onshore and offshore wind, solar, battery storage and grid services. Proudly supporting Ireland to reach its climate and renewable energy goals.

The purpose of this letter is to inform you in advance of enabling works which are scheduled to commence at the permitted Irishtown Solar Farm from the beginning of May 2025. Dates and times will be confirmed to you closer to the time.

I am available to provide further information about the ongoing construction works and answer any questions you might have.
