Re: Clonfad Solar Farm

Date: 29/6/23

Dear Resident,

This letter is to advise you in advance of enabling works scheduled to commence at the Clonfad Solar Farm from 10th July, the access to the site is located on the L5008 from an existing entrance.

The works will involve the construction of the internal access roads. These works will have a minimal impact on local traffic and local access will be allowed for at all times.

With this in mind, I would like to introduce myself, Suzanne O Leary Community Liason Officer for this project and your point of contact.

Community Engagement

At Statkraft, engagement with the local community throughout all phases of development is very important to us. I am available to provide further information on the ongoing construction works, answer queries from residents, and engage with members of the local community.

I will be on site on a weekly basis and should you have any queries please feel free to contact me directly on +353 57 937 9039

We appreciate your patience during the construction of this project.

Our project website – <https://clonfadsolar.ie> – will be live shortly and updated regularly, this will also provide a good source of the latest information as the project progresses.

Kind Regards

Suzanne O Leary
Community Liason Office
