Dear Resident,

I am getting in touch with you today to share with you information about our company, and some preparation work we will be carrying out in your area.

We are Statkraft Ireland, part of Statkraft – Europe’s largest generator of renewable energy. From our offices in Cork and Tullamore, we develop, own, and operate renewable energy projects like onshore and offshore wind, solar, battery storage and grid services – supporting Ireland to reach its climate and renewable energy goals.

My name is Suzanne O’Leary and I would like to introduce myself as Statkraft’s Community Liaison Officer overseeing the construction phase of the Pinewoods Wind Project.

The purpose of this letter is to inform you in advance of enabling works scheduled to commence at the permitted Pinewoods Site consisting of hedge trimming that will take place on Wed the 28<sup>th</sup> Jan in preparation of mobilisation to site on Tues the 3<sup>rd</sup> of Feb.

I am available to provide further information about the ongoing construction works and answer any questions you might have.

Please feel free to contact me directly if you have any queries on **057 859 8022** or email on **enquiries@pinewoodswindfarm.ie**
