### **Cable Install Works – Road Closures**

Dear Resident,

We at Statkraft along with our contractors SUIR wish to keep you informed re: ongoing works for Clonfad Solar Farm.

This letter is to advise you in advance of trench works scheduled to commence within your area for the Clonfad Solar Farm on roads L1007 & L5008 from Monday 9th June until 19th July inclusive. These works will be carried out under a Traffic Management for Road Closure.

Local access will always be maintained. It is necessary to carry out these works under a full road closure, however we will work proactively to minimise disruption. With this in mind please see below plan of works schedule.

### **Traffic Management for Road Closure:**

#### **Schedule 1 Works 9th June to 11th June**

#### **Schedule 2 Works 12th June to 19th June**

#### **Schedule 3 Works 23rd June to 19th July**

- Complete **Schedule 1** leaving access for residences during this work period Schedule 1 will remain closed 24hrs per day
- Complete **Schedule 2** and open roads for local access only.
- **Schedule 3** will be closed during the trenching works but access to houses will be available to the homeowners and emergency services.
- Trenching across driveways will be discussed with homeowners in advance of commencement of work to minimise inconvenience expected and a 4hrs duration timeline for driveway crossings is likely. Steel road plates will be available to install for emergency access to properties during driveway crossings.
- VMS Boards will be in place in advance.

## Map of Works Scheduled to commence June 9<sup>th</sup> 2025

### Future watermain and domestic connections

For concerns regarding future watermain connections, the road works will be carried out in line with our Planning Permission. This will not affect any future plans for services to be installed.

Please continue to visit the dedicated project website [www.clonfadsolar.ie](http://www.clonfadsolar.ie) which will continue to be updated regularly, this will also provide you with a good source of the latest information as the project progresses.

If you have any queries during the construction phase please feel free to contact us on [enquiries@clonfadsolar.ie](mailto:enquiries@clonfadsolar.ie) or on our project number **057 937 9039**

We appreciate your patience during the construction of this project.

Kind Regards,

*Suzanne O'Leary*
